

Congratulatory Message!

My Dear Beloved,

Greetings to you in the most precious name of our Lord Jesus Christ! I am glad to write about the Ministry of Pastor Alicia Teo in this Anniversary. During the month of August, Pastor Alicia Teo came to India along with her team. It was really a joy and a blessing for us during the days she spent with us. I could not forget those days she worked with much sacrifice every day. Through the Teaching Ministry which the Lord has given her many were built through it. Once again they surrendered themselves to Christ.

I could not really forget the meeting on the last day which was conducted in our Church. Through the Prophecy which was delivered through Pastor Alicia Teo, our Church was rejuvenated again. I could not forget the prophecy which revealed the actual situation of the Church that caused the believers to repent once again and draw close to Christ.

The Lord will use Pastor Alicia Teo as a Prophetess and Teacher not only in Singapore, but to all the Churches all over the world.

The Lord will once again cover the Church with the Blood of Jesus. The Lord will surely bless your Church according to the following Promise:

“ I the Lord, keep it, I water it every moment; lest any hurt it, I keep it night and day ” (Isaiah 27:3)

It is my daily prayer that God should bless our dear Pastor Alicia Teo and the family members who are involved in the Ministry of the Church that she pastored for all the years to come until the day of the Lord's coming.

May God Bless You!
